

**The Nights**  
**Avicii**

**Dm**

Hey, once upon a younger year

When all our shadows disappeared

**C**

**Dm**

The animals inside came out to play

Hey, When face to face with all our fears

Learned our lessons through the tears

**C**

**Dm**

Make memories we knew would never fade

**Bb**

One day my father he told me

**F**

Son, don't let this slip away

**C**

**Dm**

He took me in his arms, I heard him say

**Bb**

When you get older

**F**

Your wild heart will live for younger days

**C**

**C**

Think of me if ever you're afraid

**Bb**

**F**

He said, one day you'll leave this world behind

**C**

**Dm**

So live a life you will remember

**Bb**

**F**

My father told me when I was just a child

**C**

**Dm**

These are the nights that never die

**C**

My father told me

( **Bb** **F** **C** **Dm** )

( **Bb** **F** **C** **Dm** )

( **Bb** **F** **C** **Dm** )

( **Bb** **F** **C** **Dm** )

**Dm**

When thunder clouds start pouring down

Light a fire they can't put out

**C** **Dm**  
Carve your name into those shining stars  
He said go venture far beyond these shores  
Don t forsake this life of yours  
**C** **Dm**  
I ll guide you home no matter where you are

**Bb**
