

Waiting For Love  
Avicii

[Intro] F#m E D D E F#m

F#m E D  
Where there s a will, there s a way, kinda beautiful  
D E F#m  
And every night has its day, so magical  
F#m E D  
And if there s love in this life, there s no obstacle  
D E F#m  
That can t be defeated

F#m E D  
For every tyrant a tear for the vulnerable  
D E F#m  
In every lost soul the bones of a miracle  
F#m E D  
For every dreamer a dream we re unstoppable  
D E F#m  
With something to believe in

D E F#m D E F#m  
Monday left me broken, Tuesday I was through with hoping  
D E F#m  
Wednesday my empty arms were open  
D C#m Bm F#m D C#m D E  
Thursday waiting for love, waiting for love  
D F#m E D E F#m  
Thank the stars it s Friday I m burning like a fire gone wild on Saturday  
D E F#m  
Guess I won t be coming to church on Sunday  
D E Bm F#m D E D E  
I ll be waiting for love, waiting for love  
D  
To come around

[Solo] F#m E D D E F#m
