Outro:

1st Verse

| | |
|---|-----|
| C#m | F#m |
| My happiness is buried in the sand | |
| Am | E |
| In the backyard of my life I can t remember where | |
| C#m | F#m |
| Think it was October's rain that watched me cry | |
| B | C7 |
| No one else was around | |
| Bm | |

My happiness

C#m **F#m**
Diving to the bottom of the sea
Am **E**
To find the wild white pearls which hide from me
C#m **F#m**
And only empty shells were lying there
B **C7** **Bm**
Like my happiness, my happiness

Chorus:

A **A7**
And when you see me running
A7/G# **Dmaj7**
Donâ€™t assume Iâ€™m running to somewhere I belong
A **A7**
And when you see me crying
A7/G# **Dmaj7**
Donâ€™t feel sorry for me

2nd Verse

C#m **F#m**
My happiness is like a snake
Am **E**
Slides below the wooden floor to the darkest place
C#m **F#m**
And just sits and waits till no oneâ€™s there
B **C7** **Bm**
Just like my happiness my happiness

Chorus:

A **A7**
And when I see you smiling
A7/G# **Dmaj7**
I come to you, Iâ€™m trying, to steal your smile for me
A **A7**
I hate you when youâ€™re glowing,
A7/G# **Dmaj7**
The way youâ€™re walking, between my tears
A **A7**
So when you see me running
A7/G# **Dmaj7**
Donâ€™t assume Iâ€™m running to somewhere I belong
A **A7**
And when you see me crying
A7/G# **Dmaj7**
Donâ€™t feel sorry for me
