**G C2 G**  
If fear s what makes us decide  
**C2**

Our future journey  
**G C2 G**  
Well I m not along for the ride

**C2**  
Cause I m still yearning  
**G C2 G**  
To try and touch the sky  
**C2 G**

My fingers burning  
**C2 G**  
Before you are old you re young  
**C2**  
Yeah I m stilling learning

**G Em D**  
I-I-I am falling down

Try and stop me  
**G Em D**  
Feels so good to hit the ground

You can watch me  
**C2 Em**  
Fall right on my face  
**C2 Em**  
It s an uphill human race  
**G D G**  
And I, I am falling down

I m standing out in the street  
The earth is moving  
I feel it under my feet  
And I m still proving

That I can stand my ground  
And my feet are there  
Having washed my hair  
To be lost before you are found  
Don t mean you re losing

I am falling down

Try and stop me  
Feels so good to hit the ground  
You can watch me  
Fall right on my face  
It's an uphill human race  
And I, I am falling down

<b>F</b>	<b>D</b>
Someday I ll live in a house	

Etc, etc, etc

F
D  
 But you know that s not for now  
I M NOT SURE  
 For now I m falling down, down, down

Down, down, down

Down, down, down

Yea, yeah, yeah

I am falling down  
Try and stop me  
Feels so good to hit the ground  
You can watch me  
Falling right on my face  
It s an uphill human race  
And I, I am falling down  
I am falling down (falling, falling, falling)  
Feels so good to hit the ground  
(oh you re falling)
