Please, wrap your drunken arms around me
And I ll let you call me yours tonight
Cuz slightly broken is just what I need
And if you give me what I want
Then I ll give you what you like

Please, tell me I m your one and only
Or lie, and say at least tonight
I ve got a brand new cure for lonely
And if you give me what I want
Then I ll give you what you like

A#m C#
When you turn off the lights
G#
I get stars in my eyes
Is this love?
Eb A#m
Maybe someday

C#
So, don t turn on the lights
I ll give you what you like
