

**Heres To Never Growing Up**  
**Avril Lavigne**

**F C Dm Bb**

Singing radiohead at the top of our lungs  
When the boombox s playing as we re falling in love

**F C Dm Bb**

gotta a bottle of whatever  
but it s getting us drunk  
Singing here s to never growing

**F Dm Bb**

We call up all our friends  
go hard this weekend

**F Dm Bb**

for no damn reason  
And I don t think we ll ever change

**F Dm Bb**

meet you at the spot  
half past ten o clock

**F Dm Bb**

we don t ever stop  
And we re never gonna change

**Gm Bb**

Say, I ll just say forever Stay

**Gm Bb**

If you stay forever, hey

**Gm Bb**

we can stay forever young

**F C Dm Bb**

Singing radiohead at the top of our lungs  
With the boombox playing as we re falling in love

**F C Dm Bb**

gotta a bottle of whatever  
but it s getting us drunk  
Singing here s to never growing

**F C Dm Bb**

When we re running down the street  
yellin kiss my  
I m like yeah whatever we re still living like that

**F C Dm Bb**

when the sun s going down  
we ll be raising up top  
singing here s to never growing up

**F C Dm Bb**

oh oh, oh oh (here s to never growing up)

**F C Dm Bb**

oh oh, oh oh (here s to never growing up)

**F Dm Bb**

We live like rockstars

dance on every bar

**F Dm Bb**

this is who we are

And I don t think we ll ever change

**F Dm Bb**

They say just grow up

but they don t know us

**F Dm Bb**

we don t give a fuck

and we re never gonna change

**Gm Bb**

Say, I ll just say forever Stay

**Gm Bb**

If you stay forever, hey

**Gm Bb**

we can stay forever young

**F C Dm Bb**

Singing radiohead at the top of our lungs

With the boombox playing as we re falling in love

**F C Dm Bb**

gotta a bottle of whatever

but it s getting us drunk

Singing here s to never growing

**F C Dm Bb**

When we re running down the street

yellin kiss my ass

**F C Dm Bb**

I m like yeah whatever we re still living like that

when the sun s going down

we ll be raising up top

**F C Dm Bb**

singing here s to never growing up

oh oh, oh oh (here s to never growing up)

oh oh, oh oh (here s to never growing up)
