

E
Fall back, take a look at me and you ll see

B C#m
I m for real, I ll feel what only I can feel and if that don t appeal to ya

A
Let me know, and I ll go, cause I flow better when my colours show

E
And that s the way it has to be, honestly

B C#m
Cause creativity could never bloom in my room, I d throw it all away before I

lie

A

So don't call me with the compromise, hang up the phone, I got a backbone

E

Stronger than yours

E

La la la la la la

B

La la la la la la

C#m

La la la la la la

A

Yeah yeah yeah yeah...

E

B

If you're trying to turn me into someone else

C#m

It's easy to see I'm not down with that

A

I'm not nobody's fool

E

B

If you're trying to turn me into something else

C#m

I've seen it enough that I'm over that

A

I'm not nobody's fool

E

B

If you want to bring me down

C#m A

Go ahead and try, go ahead and try

E

You don't know you think you know me like yourself

B

C#m

But I fear that you're only telling me what I wanna hear

A

But do you give a damn, understand that I can't not be what I am

E

I'm not the milk and cheerios in your spoon

B

C#m

It's not as simple here we go not so soon, I might have fallen for that

A

When I was 14 and a little more green

E

But it's amazing what a couple of years can mean

E B

Ohhhhhhh

C#m

Yeah yeah

A

Yeah yeah yeah
