

Runaway

Avril Lavigne

( C C F G )

Got up on the wrong side of life today yeah  
Crashed the car and I m gonna be really late  
My phone doesn t work cause it s out of range  
Looks like it s just one of those kind of days  
You can t kick me down I m already on the ground  
No you can t cause you couldn t catch me anyhow  
Blue skies but the sun isn t coming out no  
Today it s like I m under a heavy cloud

(C C G F G)

And I feel so alive  
I can t help myself, don t you realize

(coro)

**Am** **C**  
I just wanna scream and lose control  
**F**  
Throw my hands up and let it go  
**Am** **C** **F Am** **F Am**  
Forget about everything and runaway yeah  
**C** **C**  
I just want to fall and lose myself  
**F**  
Laughing so hard it hurts like hell  
**C** **Am** **F Am** **F Am**  
Forget about everything and runaway yeah

( C C F G )

So So is how I m doing if you re wondering  
I m in a fight with the world but I m winning  
Stay there come closer it s at your own risk  
Yeah you know how it is life can be a bitch

( C C F G )

I can t help myself, don t you realize
