Wont Let You Go
Avril Lavigne

intro:
E, **B**, **C#m**, **A**

verse:
B
Lost the desire
C#m
To stay in this space
E
No guide to direction
G#m
that your life could face
B
Nothing is easy
C#m
You live in small place
E
Fall through the dark days
B
With no sign of grace

Refrain:

E
When you re fire
B
Has turned to ashes
C#m
When you re screaming
G#m
You re heart is bleeding
E
When you re feeling
B
Like there s no reason
C#m B   **A**
I won t let you go
E   **A**   **B**
No, I won t let you go

chorus:
E   **B**   **C#m**
It s when you re all alone and it s cold and there s no-one to hold
     A   **E**
When you re feeling lost and there s no where, There s no where to go
                                        B   **C#m**
When you re feeling sad, don t forget you can reach for my hand

```
                                  A
When you re feeling down just remember
                      E, B, C#m, A
I ll be here for you

Verse2:

B
In the others eyes
C#m
There s only a disguise
E
of what you re showing
G#m
when you are hiding

B
I ll keep you safe
C#m
Like i did those days
E
When I used to hold you
B
Until you weren t blue

E
When you re fire
B
Has turned to ashes
C#m
When you re screaming
G#m
You re heart is bleeding
E
When you re feeling
B
Like there s no reason
C#m B           A
I won t let you go
E         A        B
No, I won t let you go

E                                    B                        C#m
It s when you re all alone and it s cold and there s no-one to hold
      A       E
When you re feeling lost and there s no where, There s no where to go
                                B                        C#m
When you re feeling sad, don t forget you can reach for my hand
                          A
When you re feeling down just remember
                      E, B, C#m
```

```
I ll be here for you

B
You should realize
C#m                      A
when you re cold and think you re done
              G#m
I never really went anywhere
           C#m
while I was gone
                   E
I ll stay by your side until
         B
you ll be all fine, yeah

E                                    B                      C#m
When you re all alone and it s cold and there s no-one to hold
       A      E
When you re feeling lost and there s no where, There s no where to go
                              B                      C#m
When you re feeling sad, don t forget you can reach for my hand
                              A
When you re feeling down just remember
E                                    B                      C#m
When you re all alone and it s cold and there s no-one to hold
       A      E
When you re feeling lost and there s no where, There s no where to go
                              B                      C#m
When you re feeling sad, don t forget you can reach for my hand
                              A
When you re feeling down just remember
                   A, E, B, C#m
I ll be here for you

E, B, C#m, A

B              E(hold)
..Just remember
```
