

Let Justice Roll
Awaken Worship Collective

[Verse 1]

One day all pain will be washed away
But your mercy will remain
Out from your throne righteousness flows
One day all will be made whole
Let justice roll
Let justice roll

[Chorus]

Reign on the earth Jesus alone
Let your kingdom overflow
Pour out your peace set up your throne
Fill this valley with your hope
Let justice roll
Let justice roll

[Verse 2]

You see the world as daughters and sons
In an ocean of your love
You want your church to reach for the lost
More than thousands of our songs
Let justice roll
Let justice roll
