Some Kind Of Joke
AWOLNATION

Hey everyone,

I did my best to learn this by ear (since I couldn t find any place that had
this tabbed already).
This is my first submission in a good long while so I hope it helps in any way
possible.

- Andrew

Tuning: Standard (EADGBE)
Chords: **A#** (688xxx)
       G# (466xxx)
       C# (x466xx) or (911xxx)
       F# (244xxx)

Intro (before lyrics begin): Alternates from A# to G#

Verse:

```
  C#                                        A#
This day feels anything but typical, I woke up choking on a miracle

  A#          G#              F#            C#
I dont know why, I dont know why, I dont know why      (X2)

  C#                                      A#
My teacher told me what Im made from, I beg to differ with the outcome

  A#          G#              F#            C#
I dont know why, I dont know why, I dont know why       (X2)
```

Chorus:

```
              G#
Theres nowhere to run,

        F#              C#
When youre hiding from the truth,

              G#
Its some kind of joke,

      F#                C#
When the tears are bleeding blue,

            G#
Looking-glass fun,
```

```
        F#                  C#
When the pain is caused by you,

            A#                  F#
Its some kind of joke, some kind of joke

Verse 2:

(Starts with the A# to G# switch before lyrics begin again).

 C#                              A#
Im almost done with all my secrets, Ill take my time to take a deep breath

A#              G#            F#              C#
I don t know why, I dont know why, I dont know why       (X2)

Chorus:

               G#
There s nowhere to run,

        F#              C#
When youre hiding from the truth,

               G#
It s some kind of joke,

        F#              C#
When the tears are bleeding blue,

            G#
Looking-glass fun,

        F#              C#
When the pain is caused by you,

            A#                  F#
It s some kind of joke, some kind of joke

Bridge (repeated X2): This begins with C# for a few beats.

C#
In a room full of red, pretend to be dumb

C#
We fall on our face, pretend to be numb

(Some instrumental music (all C#)).
```

Chorus:

                    G#
There s nowhere to run,

          F#   **C#**
When your hiding from the truth,

                    G#
It s some kind of joke,

          F#   **C#**
When the tears are bleeding blue,

                G#
Looking-glass fun,

          F#   **C#**
When the pain is caused by you.

                    A#   **F#**
It s some kind of joke, and some times we choke

(Another instrumental which all follows the chorus progession of G# to F# to
C#).

                    A#   **F#**
Its some kinf of joke, some kind of joke.

Ending note to the song is C# which played for a few beats straight).

Well there it is everyone! I d like to give credit to Monica Kirby
and her fabulous Youtube video which had the piano rendition of this
song of which I listened to in order to help make this tab.
Also a thank you to Alyrics.com which helped me remember a word or
two that I forgot. And last but not least, a big shout out to AWOLNATION
for being an incredible source of inspiration to young musicians out there!

Keep doing what youre doing! We are all AWOLNATION!
