(w/ Riff 2 & 3)- same as 1st verse
 I ain?t been thru the mill but I?ve been damn close
 I could tell you stories
 that you wouldn?t wanna know
 & I wouldn?t change a single thing
 I am what I am if you don?t like it I can show you the door

not for the faint hearted
 you gotta know the deal
 cause they?ll trip you up
 if you ain?t got balls of steel

You know I got what it takes
But you tell me
why the hell am I still standing here
I?ve had my fair old share of bad luck baby
Now I?m a stronger man
I ain?t got no fear
No I ain?t

They say you gotta fall down to grease the wheel
& I?m standing here strong now I got balls of steel (w/riff 4)
They say you gotta fall down to grease the wheel
& I?m standing here strong now I got balls of steel (w/riff 5)
