Verse:

No more money for another shot

On a cold turkey, no more sugar in the blood

got no friends around since you broke the trust

Aching bones make your body look old

You got nothing left but an empty soul

Chorus:

One million prayers, one million tears

One million nightmares and moments of fears

One million stars, one million wishes

One million dreams shattered like dishes

One million wounds, one million scars

One million pieces

One million prayers, one million tears

One million nightmares and moments of fears

One million stars, one million wishes

One million dreams shattered like dishes

One million wounds, one million scars

One million pieces of a broken heart

A broken heart

A broken heart
