

**How Many Times**  
**Ayo**

**Dm**                    **Am**  
How many times i coulnd't sleep  
**E**                    **Am**  
Cause i saw you diend't in my dreams  
**Dm**                    **Am**  
How many times you lied to me  
**E**                    **Am**  
Raised my hopes and i belived  
**Dm**                    **Am**  
So many times you went away  
**E**                    **Am**  
Even thou you promest me to stay  
**Dm**                    **Am**  
You always said soon it ll be ok  
**E**                    **Am**  
But till today, nothing's changed

**Dm**                    **Am**  
And now i know, It's too late  
**E**                    **Am**  
You lost your soul, You'll never change  
**Dm**                    **Am**  
This strength of mine, Wasn't strong enough  
**E**                    **Am**  
You choosed his life, Instead of love

**Dm**                    **Am**  
And now i know, It's too late  
**E**                    **Am**  
You lost your soul, You'll never change  
**Dm**                    **Am**  
This streath of mine, Wasn't strong enough  
**E**                    **Am**  
You choosed his life, Instead of us

How many times they said i'm a fool  
But it's your child i have faith in you  
I always thought one day i would realize  
Leaving him reatcin paradise  
But now i know it was just a dream  
Now i know it will never be  
a beautiful completed family  
you just exist in my dreams

And now i know, It's too late  
You lost your soul, You'll never change  
This strength of mine, Wasn't strong enough

You choosed his life, Instead of love

And now i know, It's too late

You lost your soul, You'll never change

This streath of mine, Wasn't strong enough

You choosed his life, Instead of us

Intead of us
