I hugged the wife and drove to work today

E Ab C#m B

It was only a few miles

E Ab D A E

Was in no hurry but the lights were changing up ahead

D A B

So I stepped on the gas

E Ab C#m A

I checked the web and left it on over night

E Ab C#m B

Downloading all the latest files

E Ab D A E

Peer to peer, the torrent flows into my life

D A

And I disconnect

C#m

We all know

E F#m A

We all know, no need to remind us

C#m

We all know

E F#m A

We all know but won't connect the dots

C#m

We all know

E F#m A

We all know, locked away inside us

D A E B

We are dying for tomorrow

D A E

We are living for today

I rushed back home to my family

E Ab C#m B

I got my son a brand new game

**E** **Ab**  
No need to cook,  
**D** **A**  
I picked up fast food on the way  
**E** **D** **A** **B**  
And it s finger-licking good

**E** **Ab** **C#m** **A**  
Have you seen little Steve today?  
**E** **Ab** **C#m** **B**  
Guess he s still up there in his room  
**E** **Ab**  
But if he comes down too  
**D** **A** **E**  
I ll be right here just staring at the tube  
**D** **A**  
Playing his game

**C#m**  
We all know  
**E** **F#m** **A**  
We all know, no need to remind us  
**C#m**  
We all know  
**E** **F#m** **A**  
We all know but won t connect the dots  
**C#m**  
We all know  
**E** **F#m** **A**  
We all know, locked away inside us  
**D** **A** **E** **B**  
We are dying for tomorrow  
**D** **A** **E**  
We are living for today

**E**

**E** **Ab** **C#m** **A**  
Don t you think it s rather warm tonight  
**E** **Ab** **C#m** **B**  
Especially for the time of year  
**E** **Ab**  
I turn up the air  
**D** **A** **E**  
Pull the sheets up to my chin  
**D** **A** **B**  
And I close my eyes

**E** **Ab** **C#m** **A**  
Can t relax, can t fall asleep  
**E** **Ab** **C#m** **B** **E**

Should I take another pill? (Should I take another pill?)

**E** **Ab** **D** **A** **E**  
I turn up the lights, light up a cigarette and smile  
**D** **A**  
I ve got it made

**C#m**  
We all know  
**E** **F#m** **A**  
We all know, no need to remind us  
**C#m**  
We all know  
**E** **F#m** **A**  
We all know but won t connect the dots  
**C#m**  
We all know  
**E** **F#m** **A**  
We all know, locked away inside us  
**D** **A** **E** **B**  
We are dying for tomorrow

**C#m**  
We all know  
**E** **F#m** **A**  
We all know, no need to remind us  
**C#m**  
We all know  
**E** **F#m** **A**  
We all know but won t connect the dots  
**C#m**  
We all know  
**E** **F#m** **A**  
We all know, locked away inside us  
**D** **A** **E** **B**  
We are dying for tomorrow  
**D** **A** **E**  
We are living for today
