I hugged the wife and drove to work today
F#   Bb   Ebm   C#
It was only a few miles
F#   Bb   E   B   F#
Was in no hurry   but the lights were changing up ahead
     E   B   C#
So I stepped on the gas

F#   Bb   Ebm   B
I checked the web and left it on over night
F#   Bb   Ebm   C#
Downloading all the latest files
F#   Bb   E   B   F#
Peer to peer, the torrent flows into my life
    E   B
And I disconnect

        Ebm
We all know
        F#   G#m   B
We all know, no need to remind us
        Ebm
We all know
        F#   G#m   B
We all know but won t connect the dots
        Ebm
We all know
        F#   G#m   B
We all know, locked away inside us
E   B   F#   C#
We are dying for tomorrow
E   B   F#
We are living for today

I rushed back home to my family
F#   Bb   Ebm C#
I got my son a brand new game

```
F#            Bb
No need to cook,
   E                      B
I picked up fast food on the way
     F#    E          B    C#
And it s finger-licking good

F#         Bb          Ebm          B
Have you seen little Steve today?
F#                 Bb              Ebm  C#
Guess he s still up there in his room
           F#        Bb
But if he  comes down too
          E               B              F#
I ll be right here just staring at the tube
E          B
Playing his game

        Ebm
We all know
        F#      G#m         B
We all know, no need to remind us
        Ebm
We all know
        F#          G#m                 B
We all know but won t connect the dots

We all know
        F#      G#m            B
We all know, locked away inside us
E        B            F#       C#
We are dying for tomorrow
E        B          F#
We are living for today

F#         Bb                  Ebm          B
Don t you think it s rather warm tonight
F#          Bb                 Ebm  C#
Especially for the time of year
   F#            Bb
I turn up the air
E        B                  F#
Pull the sheets up to my chin
E        B          C#
And I close my eyes

F#       Bb                 Ebm    B
Can t relax, can t fall asleep
F#         Bb          Ebm            C#              F#
```

Should I take another pill? (Should I take another pill?)
```
   F#            Bb            E        B         F#
```
I turn up the lights, light up a cigarette and smile
```
E          B
```
I ve got it made

```

We all know
