Verse :

A **E** **F#m**
There was nothing say the day you left
 Bm **A** **E/Esus4**
I just filled a suitcase full of regrets
 A **E** **F#m**
I hailed a taxi in the rain
 Bm **A** **E/Esus4**
looking for some place to ease the pain

Pre-Chorus :

F#m **E** **A**
Then like an answered prayer
 Bm **A** **F#m**
i turned around and found you there

Chorus :

A **E**
You really where start (you really know where to start)
F#m **A** **Bm** **A**
fixing a broken heart
 E
you really know what to do
 A **E**
your emotional tools
 F#m
can cure any fool
 Bm **A** **E**
whose dreams have fallen apart
 A
fixing a broken heart

Verse :

I never could understand
What you re going to thru
There must be a plan that led me to you

Coz all the heart just dissapears
Every moment you are near

Just like an answered prayer
You make the lonliness easy to bear

Repeat Chorus

Bridge :

Em **F#**
Soon the rain will stop falling baby
Em **A**
So lets forget the past
D **E**
coz here we are at last
