Capo 2

Em **C** **D** **Bm**
nowhere girl you`re living in a dream,
Em **C** **D** **Bm**
nowhere girl you stay behind the scenes,
Em **C** **D** **Bm**
nowhere girl you never go outside,
Em **C** **D** **B**
nowhere girl cause you prefer to hide.

C **Em**
every night, every day
 C **Em**
in that all old familiar light
 C **Em** **D**
you hang up when i call you at home.
 Em **C**
and i try to get through
 Em **C**
ant i try to talk to you
 Em **C** **D**
but there`s something stopping me from getting through.

Em **C** **D** **Bm**
nowhere girl what you had you need,
Em **C** **D** **Bm**
nowhere girl all functional and neat,
Em **C** **D** **Bm**
nowhere girl in self-imposed exile,
Em **C** **D** **B**
nowhere girl a martyr-like denial.

C **Em**
every night, every day
 C **Em**
in that all old familiar light
 C **Em** **D**
you hang up when i call you at home.

Em **C**

and i try to get through

Em **C**

and i try to talk to you

Em **C** **D**

but there`s something stopping me from getting through
