

Forest
B Sides

[Verse 1]

C

In the forest of my mind

G

I let you shine, I let you shine

Em

You were a candle in the mist

Am

Like there was no other light

C

But the times are passing by

G

And you become a stranger now

Em

Although I wanted something more

Am

I ll stand and watch the stars alone

[Bridge]

C G Em Am

[Verse 2]

C

In the forest of my mind

G

I see you become so different now

Em

And it is hard to realize

Am

The things you re hiding in your heart

C

In another space and time

G

I think we could become as one

Em

But now the end is coming close

Am

And I have no strength to try

[Bridge]

C G Em Am

[Verse 3]

C

Even though I m feeling down

G

I have a need to write you down

Em

All the things I felt for you

Am

All my feelings were so true

C

But there is no need to try

G

To find a path to walk on by

Em

I should forget about you now

Am

And I should start to look around

[Bridge]

C G Em Am

[Verse 4]

C

There must be another light

G

Another chance for me to try

Em

Another feeling more secure

C

I have no more time to waste

C

For another pointless night

G

For the pleasures of my life

Em

For some empty carnal thoughts

Am

Just a cum and nothing more
