holds you in his mom s car?

cause it s all my fault

i ve ben replaced by a 23 year old emo fuck-ball  
and it burns me worse than wedgies burned my early ancestors  
when will i learn not to trust myself when every instinct is wrong  
dont wanna see you with that pinhead on your arm

better burn your cds ceedee-ees see-dee-ee-ee-eez  
and watch the extreme games on teevee-ee ee-ee-ee-ee-ee-ee

cool tony hawk video games  
enough pot to keep you dazed  
and as usual no one to blame but myself  
cause it s all my fault

i ve ben replaced by a 23 year old emo fuck-ball  
and it burns me worse than wedgies burned my early ancestors  
when will i learn not to trust (fade) myself when every instinct is wrong  
dont wanna see you with that pinhead on your arm
