

No Blues
Baby Eagle

Pretty simple song, but there s no chords up for it yet..

C
C **F**
I ve not the temper of the times. I m a shadow in my home.

Am **Em** **C**
Love has gone departing babe, but love will come return.

C
I won t shake to no blues. I won t shake to no blues.

F **C**
Death may rattle at my chain but I won t shake to no blues.

C **F**
My head is full of dreaming. My memories have a home.

Am **Em** **C**
It s a sky that s full of lightning, and a ground that s full of bones

C
I won t shake to no blues. I won t shake to no blues.

F **C**
Death may rattle at my chains but I won t shake to no blues.

F
And when your dress fell open it was like the sky upon the stone.

Am **Em** **C**
I heard the sound of thunder, then I heard nothing more.

C **F**
There s wild beasts of yonder and a fear come to my door.

Am **Em** **C**
Love has gone departing babe, but love will come return.

C
I won t shake to no blues. I won t shake to no blues.

F **C**
Death may rattle at my chains but I won t shake to no blues.

C **F** **C** **F**
