

Spaceman
Babylon Zoo

Intro:

B **Am** **B** **Am** **G** **Am** **B**
Spaceman, I always wanted you to go into space, man, intergalactic cries.

E **G** **C** **D** **Am** **G** **B**
Spaceman, I always wanted you to go into space, man, intergalactic cries.

Verse:

C
Hydrogen smells, they consummate my home
C
Beyond the black horizon, trying to take control
C
See my girl she shivers and her bones
C
The sun, its zenith rising, trying to take us all

Bridge:

C **D** **C** **B**
There s a fire between us, so where is your god?
C **D**
There s a fire between us...

C **D** **C** **D**
I can t get off the carousel, I can t get off the carousel
C **D** **C** **B**
I can t get off the carousel, I can t get off this world

Am **F** **Am** **F**
The sicking tastes, homophobic jokes, images of fascist folks
Am **C** **G**
Beam me up cos I can t breathe...

Chorus:

Am **C** **F** **C** **B** **C** **F** **G**
Spaceman, I always wanted you to go into space, man.

Interlude:

E **D** **E** **D** **C** **E** **C** **E**

Verse:

C

It s time to terminate the great wide world

C

Morbid fascinations, television takes control

C

Decimation, different races fall

C

Electronic information tampers with your soul

Bridge:
