Babyshambles

Verse

C#m **B**

All I said was you look beautiful...

Same until chorus... (sorry can't work out lyrics)

Chorus

E **A B**

How can you love someone?

E **A B**

If you never knew love?

E **A B**

How can you trust someone?

E **A B**

If you've just been mugged

C#m **A B** until next chorus roughly

Sorry know is very haphazard probably wrong if I'm honest but there's nothing else up

that I could find and this is just what I use.

Cheers,
