go on put your arms around me mate
and you hear an honest remark and,

i heard it said you had come back from the dead
you were paying it so fine, scouping up the soul of the wine
courage my boy when you looked them in the eye
try not to look to scummy, if you need some money now you need some money,
now oh.....

he didnt like my voice but,
was a hell of a year for you me my friend and i,
promises promises, youv e heard them all before
love is... just around the corner,
