G                      D                      Em        B  
Why should I wait until tomorrow?  
Em                      B  
I ve already been  
Em                      B                      C                      D  
I ve already seen all the sorrow thats in store

G                  D                  Em      B  
And if i beg, steal or borrow  
Em                  B  
Just to hold on tighter  
C                  D                  G#  
To all the sorrow tries too (?)

C#      D#                  G#                                  C#      D#  
If I change my tune  
G#                                  C#                  D#                  G  
Maybe well I won t be bound to do  
G#    G  
Then I won t be bound to do  
G#  
And I won t be bound to...
