

-----

G            D            Em    B  
Cause if i beg, steal or borrow  
Em            B  
Just to hold on tighter  
C            D            G#  
To all the sorrow tries too (?)

C#    D#        G#            C#    D#  
But if I change my tune  
G#            C#            D#        G  
Maybe well I won t be bound to

Em            Bm7(?)  
A world where rats turn into stars  
C            D  
What a life on Mars

G            D            Em    B  
I can t wait until tomorrow  
Em    B  
I ve already been  
Em            B  
And I ve already seen  
C            D  
All the sorrow thats in store    LEAD BREAK

C            ( )  
They ll tell you anything, almost anything  
G  
Just to get you in the car  
C  
You shouldn t tell them anything  
( )  
But you you told them everything  
G  
You ve taken far too far  
C    D        G    D    Em    B  
What a life on Mars  
C    D        (xxx999)  
What a life on Mars
