Cuckoo 1440 Babyshambles

This version is from Stokie + Jim Bumfest.

If you can manage to play this during the intro with the Am- and C-chords it will sound a bit better:

|----|----|-----|---|-----|---|
| e | 0 | 00 | 0 | 00 | - |
| вΪ | 1 | 331 | 1 | 331 | _ |

or;
