

Lady Dont Fall Backwards
Babyshambles

peter doherty - lady don t fall backwards
[as in shaking and withdrawn, track 3]
tabbed by christopher gramer

...once upon a time...

[00:36] B7
when the cold wind now blows,
 Em A7
and the cold wind now blows in my heart
 Dmaj7
it was a summer breeze
 Bm
and she would meet me

Em A7 Dmaj7
in chinatown for opium and tea
Em
and she always brought me flowers....

```
[continue Em | A7 | Dmaj7 | Bm till break]
```

chorus [01:56]:

[illegible]

on shaking an withdrawn, pete changes keys between verse and chorus to merge into bollywood to battersea.
playing on your own, this key change sounds rather strange. here is the chorus in proper key.

chorus as suggested:

G E7
But Lady don t you fall backwards
Am D
Come on fall into my arms.....
