Verse1

**Bb**            **F**                    **Gm**  
There s a man who came to stay  
**Eb**    **Ebm**  
The boy he replaced, disappeared without a trace...  
**Bb**                            **F**                    **Gm**  
Stole all my songs and my style away  
**Eb**  
While no-one would say  
**Ebm**  
what they wanted to say  
So he was king for a day...

Chorus

**Eb**            **Gm**            **C**        **G#**  
If you sail into the sun  
**Eb**        **Gm**                    **C**        **G#**  
Beware the eyes of green  
**Eb**                            **Gm**                            **C**                            **G#**  
And if the whole room tells you you are the one  
**Eb**            **Gm**                            **C**                            **G#**  
Well I defy you not to believe them, my son...

Verse2

**Bb**            **F**                    **Gm**  
There s a man who came to stay...  
**Eb**    **Ebm**  
Trip off the test, now the kitchen s a mess  
and the garden s undressed  
**Bb**                            **F**                    **Gm**  
Every single gig I play  
**Eb**  
Something s not right inside  
**Ebm**

Paranoia and pride and nowhere to hide

Chorus

**Eb**            **Gm**            **C**    **G#**

If you sail into the sun, lala la lala lala

**Eb**            **Gm**            **C**    **G#**

Beware the eyes of green

**Eb**                            **Gm**                            **C**                            **G#**

And if the whole world tells you you are the one

**Eb**            **Gm**            **C**                            **G#**

I think you re hearing those voices again my son

Chorus

**Eb**            **Gm**            **C**    **G#**

If you sail into the sun

**Eb**            **Gm**            **C**                            **G#**

Please beware the eyes of green

**Eb**                            **Gm**                            **C**                            **G#**

And if it s all too much for you my son

**Eb**            **Gm**            **C**                            **G#**

I m still here waiting though no no no no no
