Lucky Me

Verse 2: (Same chords as verse 1)

I got a great car - it s a red convertible
Made by Mattel
I got a nice house in the suburbs
With hells angels for neighbours as well
I got a scholarship for a hundred years of college
If I wanna study dentistry
But my folks just want me married and poppin out the grandkids
To keep them company

E F# B G#m F#

Cos nothing that I have right now brings me any joy

C#m F# B E

And when I m shopping at the mall, cant find it anywhere

3rd Verse:

But I ve got my Tamagotchi
And I got my wrist-watch phone
I got so many friends on the Internet
I could never be alone
I got just enough cash to pay a lot of tax
But not enough to quit my job
Got a fools gold ring, credit card debt
Psychiatrist for my dog
