

Tear Down The Walls
Back Door Slam

F#m 244222
C#m x46654
Bm x24432
Cm x35543

play the chord twice in a row and then quikley dampen with your right hand, then twice

more but with the damp in between. And then on to the next and you re off, just make sure

to mind the quick change between **C#m** and **Cm** and back again. Just listen to the song and get rollin

F#m C#m [Cm C#m] Bm C#m F#m

when he starts singing just strum the chords down and then gently play every first 4

individual notes of that chord from high to low back up and there you go. enjoy
