INTRO:  
||: **Em7** / / **Bm7** | / / / / | **Cadd9** / / **G** | / / / / :|| (x2)

VERSE 1:

**Em7**            **Bm7**            **Cadd9**    **G**  
 I hate leaving it last for the face behind  
**Em7**            **Bm7**            **Cadd9**            **G**  
 Running away from the regular time  
**Em7**            **Bm7**            **Cadd9**            **G**  
 With my leverage gone, will I step to the light?  
**Em7**            **Bm7**            **Cadd9**            **G**  
 Seems the solace of some tastes like poison tonight

CHORUS 1:

**C**            **D/F#**            **Em**  
 And you already guessed my weight; fairly heavy  
**D**    **C**            **Ebdim7**    **Em**  
 You already know my sign and direction  
**D**    **C**            **D/F#**            **Em**            **A7**  
 You already, already, already are the one  
**F**                            **Cadd9**            (**Em7**)  
 Who captures my mind every time

TRANSITION 1:

||: **Em7** / / **Bm7** | / / / / | **Cadd9** / / **G** | / / / / :|| (x2)

VERSE 2:

**Em7**            **Bm7**            **Cadd9**            **G**  
 You could be the one who combs my hair  
**Em7**            **Bm7**            **Cadd9**            **G**  
 And you could be the one who leaves me alone  
**Em7**            **Bm7**            **Cadd9**            **G**  
 So what are you to do, if the knife won t cut?  
**Em7**            **Bm7**            **Cadd9**            **G**  
 There s just too much in sight to ever give it up

CHORUS 2:

**C**            **D/F#**            **Em**  
 And you already guessed my weight; fairly heavy  
**D**    **C**            **Ebdim7**    **Em**  
 You already know my sign and direction  
**D**    **C**            **D/F#**            **Em**            **A7**  
 You already, already, already are the one  
**F**                            **Cadd9**            (**Em7**)  
 Who captures my mind every time
