You hit me faster than a shark attack  
You saw my picture  
On the Backstreet s Back, alright  
And you were more than just a pretty face  
But how you fooled me, I m still amazed baby  
But I should have known that I would be  
Another victim of your sexuality  
But now we re done and over with  
I don t want you back

**CHORUS**

Don t want you back  
Cause you re no good for me  
I know  
That s all I can say  
Don t want you back  
Forgive my honesty but you gotta go  
I don t want you back

You started going out with so-called friends  
But I was blind and so I lost all common sense  
But there were things that made me realize  
Like all the hundred no, thousand lies

**CHORUS - repeat**

Baby, don t bother telling me your reasons why

Just let us sing this story bout you and I  
Don t want you back  
That s all I know  
Don t want you back  
All I can say

Don t want you back  
You know you gotta go

CHORUS - repeat
