You hit me faster than a shark attack
You saw my picture
On the Backstreet s Back, alright
And you were more than just a pretty face
But how you fooled me, I m still amazed baby
But I should have known that I would be
Another victim of your sexuality
But now we re done and over with
I don t want you back

CHORUS

Don t want you back
Cause you re no good for me
I know
That s all I can say
Don t want you back
Forgive my honesty but you gotta go
I don t want you back

You started going out with so-called friends
But I was blind and so I lost all common sense
But there were things that made me realize
Like all the hundred no, thousand lies

CHORUS - repeat

Baby, don t bother telling me your reasons why

Just let us sing this story bout you and I
Don t want you back
That s all I know
Don t want you back
All I can say

Don t want you back
You know you gotta go

CHORUS - repeat
