

**Fallen Angel**  
**Backstreet Boys**

**A**

**C#m - E - B - A**  
[I wanna know (4x)]  
Yeah, I wanna know  
[I wanna know (4x)]  
I wanna know

Verse 1:

**C#m E**  
You had me fooled  
**B A**  
You were so good at that  
**C#m E**  
I m so unglued  
**B**  
Too many pieces  
**A**  
To put back  
**C#m E**  
You were the best by far  
**B A**  
How did we end up like this  
**C#m E**  
I even know who you are  
**B A**  
I can t believe it s like this  
**C#m**  
I wanna know

(Chorus)

**E B**  
How does it feel to be a fallen angel  
**A C#m**  
Your wings are lying on the ground  
**E B**  
How does it feel to be a fallen angel  
**A**  
Forever is a long way down  
**C#m E**  
You were everything that thought I wanted to be  
**B A**  
But everything is disappeared for me  
**C#m**  
So how does it feel

**E** **B** **A**

How does it feel to be a fallen angel  
Of love

**C#m - E - B - A**

I wanna know (8x)

Verse 2 - same that verse 1

I followed you  
To the deepest part of love (of love)  
And how do you  
Destroy the life you built for us  
This is a mystery  
You played the part so well, yeah  
Now this is history  
Was I the last to tell  
I wanna know

(Chorus)

Bridge:

**F#m** **E**

The only thing that s worst than emptiness

**B**

Is when your heart s lost

**F#m**

**E**

And the only thing that s worth the pain

**B**

**A**

Is the price of what love costs

**F#m**

**E**

It s when you think its all in your hands

**B**

That s when it s gone

**F#m**

**E**

And you think you re invincible

**B**

Believe me you re so wrong

**A**

**C#m**

Tell me how does it feel

(Chorus)

**C#m - E - B - A**

I wanna know (8x)

**C#m - E - B - A**
