C **G** **Am** **F**
Open up your heart to me
C **G** **Am** **F**
And say what-s on your mind
E **C** **G** **F**
I know that we have been through so much
E **C** **G** **F** **G**
But I still need you in my life this time...

C **G**
I need you to night
Am **F**
I need you right now
C **G**
I know deep within my heart
Am **G** **F**
It doesn-t matter if it-s wrong or right
C **G** **Am** **F**
Coz I need you tonight

C **G** **Am** **F**
I figured out what to say to you
C **G** **Am** **F**
Sometimes the words come out so wrong
E **C** **G** **F**
I know in time that you will understand
E **C** **G** **F**
That what we had is so right This time

C **G**
And I need you to night
Am **F**
I need you right now
C **G**
I know deep within my heart
Am **G** **F**
It doesn-t matter if it-s wrong or right
