

Just Want You To Know
Backstreet Boys

D

Looking at your picture from when we first met

A

You gave me a smile that I could never forget

Em

G

And nothing I could do could protect me from you that night

D

Wrapped around your finger, always on my mind

A

The days would blend cause we stayed up all night

Em

G

A

Yeah, you and I were everything, everything to me

D

A

I just want you to know that I've been fighting to let you go

Em

G

Some days I make it through and then there's nights that never

A

end

D

A

I wish that I could believe that there's a day you'll come back to me

Em

G

But still I have to say I would do it all again

D

Just want you to know

All the doors are closing I'm tryin' to move ahead

A

And deep inside I wish it's me instead

Em

G

My dreams are empty from the day, the day you slipped away
