```

I was looking for something

On the crime scene where you re in too deep

I found a note with this number

It s just another clue (it leads to you)

I got a little suspicious, I got a feeling

That you ain t true to me

I should have known better than to buy your lies(your sweet disguise)

You can fool anyone but I got eyes to see That you re not for me, babe

No no uh uh

Things will never be the same again with you

No no uh uh

Now I know what it s coming to

No no uh uh

Cause if you think that it s the way that love, should be Let me tell you it s not for me

I don t want to be on, your screenplay

Just tell me did you rehearse on me?

Just gimme the story

Baby who s to win? Me or him?

Caught in the middle

And I m tired of your games of Hide and Seek

I m getting the feeling that it s time for me to leave

You can fool anyone but I got eyes to see That you re not for me, baby

No no uh uh (yeah yeah)

Things will never be the same again with you

No no uh uh (Oh)

Now I know what it s coming to

No no uh uh (yeah-eah)

Cause if you think that it s the way that love, should be Let me tell you it s not for me

Yeah, yeah

I said no, no

No way No no, no no No

I had enough of your talk, your games

And it won t go away (won t go away)

Justify my reasons to stay (stay, reasons to stay)

No no uh uh

Let me hear you say No no

No no uh uh

No no, let me tell you it s not for me

No no uh uh

Cause if you think that it s the way that love should be

Well let me tell you it s not for me

No no uh uh (whoo)
Things will never be the same again with you
No no uh uh (baby)
Now I know what it s coming to
No no uh uh (yeah-eah)
Cause if you think that it s the way that love, should be

Well me tell you it s not for me
