

Shattered
Backstreet Boys

F **C**
So empty, can't feel no more

Am **Bb**
As I'm left with my tears on the floor

F **C**
I wait for my heart to mend,

Am **Bb**
But you keep tearing a hole

F **C**
Inside, I'm so lost,

Am **Bb**
In the middle of my heart

F **C**
It's a battlefield of love,

Am **Bb**
I've been fighting for too long

F
And now I'm shattered,

C
From you chipping my heart

Am **Bb**
kept taking it 'til it broke

F
Oh how it hurts

C
Felt it slipped from your hands

Am **Bb**
hit the ground and now it's shattered

F **C**
I'm so shattered
(Can't believe it was me, I'm so shattered)

Am **Bb**
So shattered
(Can't believe, you and me, ahh)

F **C**
So shattered
(Can't believe, you left me, I'm so shattered)

Am **Bb**
Shattered, cut from with-inside, oh

F **C**
What am I still here for,

Am **Bb**
Could it be that I'm just waiting

F **C**

Hoping you'd rescue me,
And put the pieces together again

Inside, I'm so lost,
In the middle of my heart
It's a battlefield of love,
I've been fighting for too long

And now I'm shattered,
From you chipping my heart
kept taking it 'til it broke
Oh how it hurts
Felt it slipped from your hands
hit the ground and now it's shattered

I'm so shattered
(Can't believe it was me, I'm so shattered)
So shattered
(Can't believe, you and me, ahh)
So shattered
(Can't believe, you left me, I'm so shattered)
Shattered, cut from with-inside, oh

Tell me what you're really here for,
If you never really loved me
I gave my all but it still wasn't enough
Cause all you had to say was that
you ain't looking for commitment
Instead of telling me what I wanted to hear, oh-ho

You took my emotions

and scattered them on the ground

F **C**
So hard to just pick up,
Am **Bb**
and move on with life, again

F
And now I m shattered (Ooh)

C
From you chipping my heart,
Am **Bb**
kept taking it til it broke

F
Oh how it hurts

C
Felt it slipped from your hand,
Am **Bb**
hit the ground and now it s shattered

F **C**
I m so shattered
(Can t believe it was me, I m so shattered)

Am **Bb**
So shattered
(Can t believe, you and me, ahh)

F **C**
So shattered
(Can t believe, you left me, I m so shattered)

Am **Bb**
Shattered, cut from with-inside, oh

F **C**
So shattered, oh yes

Am
I can t believe, you left me

Bb **F**
so shattered
