

**Straight Through My Heart**  
**Backstreet Boys**

(Cm G# Bb Gm)

In the heart  
Of the night  
Where its dark  
In the lights  
I heard the loudest noise  
A gunshot on the floor  
Ohhhh Ohhhh

(Cm G# Bb Gm)

I looked down  
And my shirts turning red  
I m spinning around  
Felt her lips on my neck  
(Cm G# Bb G)  
And her voice in my ear  
Like I missed you  
Want you tonight

(D# Bb Cm G#)

Straight through my heart  
A single bullet got me  
I can t stop the bleeding  
Ohhhh  
Straight through my heart  
She aimed and she shot me  
I just can t believe it  
Ohhhh  
No I cant resist  
And I cant be hit  
I just cant escape this love  
Straight through my heart  
Soldier down (my heart)  
Soldier down (my heart)

(Cm G# Bb Gm)

Thought I moved  
More than on  
Thought I could  
Fool her charm  
I really wanna go  
But I cant leave her alone  
Ohhhh ohhhh

(Cm G# Bb Gm)

Hear the sound  
Of a love so loud

I just can t, I just can t  
(**Cm G# Bb G**)  
Ignore this feeling  
Said she misses me  
And she wants me  
Wants me tonight

(refrão)

(**Cm G# Bb Gm**)  
In the heart  
Of the night  
Where its dark  
In the lights  
I heard the loudest noise  
A gunshot on the floor
