

Straight Through My Heart
Backstreet Boys

(Cm G# Bb Gm)

In the heart
Of the night
Where its dark
In the lights
I heard the loudest noise
A gunshot on the floor
Ohhhh Ohhhh

(Cm G# Bb Gm)

I looked down
And my shirts turning red
I m spinning around
Felt her lips on my neck
(Cm G# Bb G)
And her voice in my ear
Like I missed you
Want you tonight

(D# Bb Cm G#)

Straight through my heart
A single bullet got me
I can t stop the bleeding
Ohhhh
Straight through my heart
She aimed and she shot me
I just can t believe it
Ohhhh
No I cant resist
And I cant be hit
I just cant escape this love
Straight through my heart
Soldier down (my heart)
Soldier down (my heart)

(Cm G# Bb Gm)

Thought I moved
More than on
Thought I could
Fool her charm
I really wanna go
But I cant leave her alone
Ohhhh ohhhh

(Cm G# Bb Gm)

Hear the sound
Of a love so loud

I just can t, I just can t
(**Cm G# Bb G**)
Ignore this feeling
Said she misses me
And she wants me
Wants me tonight

(refrão)

(**Cm G# Bb Gm**)
In the heart
Of the night
Where its dark
In the lights
I heard the loudest noise
A gunshot on the floor

Refrão (repete duas vezes)

Ohhh Ohhh Ohhh Ohhh Ohhh
