Backstreet Boys

Intro: **C G, A, Dm, Fm**

C G, A (2x)

Uh, uh I know that you re hurting now
Seems like there s just no way how

Dm, Fm (x2)

Feels like it s all gone wrong
You keep on slipping til you can t hold on!

C G, A (x2)

Don t worry, I m right by your side
My shoulder s yours if you need to cry

Dm, Fm (x2)

There are times when life is just too much
I know you want to, but don t give up!

C Bb, A, Dm C,

Try, baby try
Give me a moment of your time

C Bb, A, F, F

Oh no, don t close your eyes
I know you re hurting now
We can work it out

Am, F#m

If we just try, if we just try!
refrão

(**C G, A, Dm, Fm**)

C G, A (2x)

It s always been just me and you
You know I ve been down there, too!

Dm, Fm (2x)

Always when I needed you
You were strong!
Let me hold you, baby
When hope is gone!

C Bb, A, Dm C,

Try, baby try
Give me a moment of your time

C Bb, A, F, F

Oh no, don t close your eyes
I know you re hurting now
We can work it out

Am , F#m (x2)

If we just try, if we just try!

C F, C , F , Dm , G

Holding on, holding on

We used to know how to!

Oh, oh, oh if the nights are so long

Sing my favorite song, if we just
