

What I Know Now
Backstreet Boys

intro

C , G , C , F x2

C G
Life should be like a game of cards

C
You make a mistake

C7M
Then fold the deck and start over

C G
It should be just like drivin in your car

C
Get lost and your navigation system

F
Gets you closer

C G
But there ain t no handbook

C
You re on your own

F
Got no instructions

C
When it comes to love

G
Cuz once you do something

C
Can t be undone

F
Wish I could take back
Letting you go

C
If I knew then

G
What I know now

C
I wouldn t have said

C7M

I don t need you around

C

Alone in this mess

G

Silence is so loud

C

So I would treat you the best

F

Baby if I knew then

C

G

What I know now (What I know now)

C

C7M

What I know now (What I know now)

C

G

What I know now (What I know now)

C

Yeah I would treat you the best

F

Baby if I knew then

C

What I know now

(SAME AS ABOVE)

Wish I get remote controls

Then I just rewind into

The time it was better

It should have a restart button

So, I could travel right back

To the day that I met her

But there ain t no handbook

You re on your own

Got no instructions

When it comes to love

Cuz once you do something

Can t be undone

Wish I could take back

Letting you go

If I knew then

What I know now

I wouldn t have said

I don t need you around

Alone in this mess

Silence is so loud

So I would treat you the best

Baby if I knew then
What I know now (What I know now)
What I know now (What I know now)
What I know now (What I know now)
Yeah I would treat you the best
Baby if I knew then
What I know now

BRIDGE

all (**C** , **G** , **C** , **F**)

Cuz there ain t no handbook
You re on your own
Got no instructions
When it comes to love
See once you do something
Can t be undone
Wish I could take back
Letting you go

If I knew then
What I know now
I wouldn t have said
I don t need you around
Alone in this mess
Silence is so loud
So I would treat you the best
Baby if I knew then
What I know now (What I know now)
What I know now (What I know now)
What I know now (What I know now)
Yeah I would treat you the best
Baby if I knew

If I knew then
What I know now
I wouldn t have said
I don t need you around
Alone in this mess
Silence is so loud
So I would treat you the best
Baby if I knew then
What I know now (What I know now)
What I know now (What I know now)
What I know now (What I know now)
Yeah I would treat you the best
Baby if I knew then
What I know now
