Album: Houston: We Have A Drinking Problem  
Tabbed by: Don Tago  
email: recebedou@yahoo.com

Standard Tuning

Chords used:

EADGBe  
**A:** 002220  
**Bb:** 1133--  
**C:** 032010  
**Dm:** 000231  
**Dsus:** 000230  
**F:** 1332--

Verse 1:

**Dm** **C**  
Houston we don't understand  
**F**  
The rescues launched are incomplete  
**A**  
We lost it again, we lost it again  
**Dm** **C** **F**  
We could not locate its pride, we have not found its strength  
**A** **Dm** (with piano stuff)  
In spite of endless search, in spite of every mission

Verse 2:

Yeah that's the way things go some days  
They will come take you away  
How I wanted to be more than the man I am today  
Just when we embarked on space, its design came crashing down  
Far from conclusion, far from its objective

Chorus:

**Bb** **A** **Dm** **Bb** **A** **Dm**  
Traveling by stereo its suspension time in space  
**C** **Bb**  
Your best, your worst  
**A** **Dm** **C** **Dm** **Dsus** **Bb** **A** **Dm**  
As you journey through the system you define Body and mind

**A Dsus A** (repeat 4x)

Outro:

**Dm**

Yeah that's the way we fall,

**C**

Yeah that's the way we fall

**F**

Yeah that's the way we fall

**A**

that's the way we falter (repeat 1x)
