Arizona	s	such

The chemicals were coursing through our bloodstreams at incongruous rates  
 I was time-traveling inward through a past life I can never erase  
 You were hanging out the window, you said: We re just a beggar s banquet in  
 space  
 You were laughing at the moon, you were cursing it for wearing your face

Me & New Mexico are orphans  
Or is it bastards? Either way:  
I know a guy in Roswell  
We ll hitch a moonride, steal you back your face

Interlude, Repeat Verse

**Em** Ano5  
You sleep and whistle Blackbird backwards

**G** **A7**  
while my eyes cut her name in clay.

**C**  
You wake to Mesa, Arizona

Dno5 **G**  
Say, Let it go. She ll change her mind someday.

**C**  
You took the wheel in Mesa, Arizona.

Dno5  
Said, I got the rest, man.

**G**  
You can drift away.
