

Youre A Mirror I Cannot Avoid
Bad Books

This is pretty close, the only part I am not sure about is the chord runs after the second and fourth lines in the chorus.

Capo 1

A **E**
I caught you caterwauling, giving grief
F#m **C#m**
Thought you were cannonballing after me
G# **F#m G# A B**
Now that your actions speak for themselves
C#m
And wished you well

A **E**
But you re a mirror I cannot avoid
F#m **C#m**
Strung out and jittery and paranoid
G# **F#m G# A B**
A leaky battery that can t keep charged
F#m A B
Get in the car

E **C#m**
And say what you mean
A B E F#m
Explain yourself to me
C#m B C#m-A-B
and I ll try not to judge you more than you would
E C#m A B E F#m
Let me help, I promise not to tell
C#m B G#-B-C#m-G#-A
Like anyone s asking or anyone should

Break: (Same strum pattern as verse)
A, E, F#m, C#m, G# F#m-G#-A, B, C#m

A **E**
First time I met you I was full of fear
F#m **C#m**
Knew that eventually you d disappear
G# **F#m G# A B**
Just when I needed you to burn to smoke

F#m A B

And off you go

E C#m A B E F#m

Just come back and peel away the mess

C#m B C#m-A-B

Lay here beside me and open your eyes

E C#m A B E F#m

Take it back your dignity attacked

C#m B G#-B-C#m-G#-A

Turn back to the person you tried to let die

A E

I caught you nesting with your antelope

F#m C#m

Glassy eyes from kissing poison frogs

G# F#m G# A B

Becoming infinite against his couch

F#m A B

Open your mouth

E C#m A B E F#m

and say the words you used to wish you heard

C#m B C#m-A-B

Back when you focused enough to be good

E C#m A B E F#m

And if you re gone, an endless false alarm

C#m B G#-B-C#m-G#-A

Just remember I loved you as long as I could

Outro: (Same strum pattern as verse)

A, E, F#m, C#m, G# F#m-G#-A, B, C#m
