

Pay To Cum
Bad Brains

Intro

```
e-----|
B-----|
G--77777-99999-----77777-99999-----|
D--55555-77777-----55555-77777-----|
A-----77777-----77777-----|
E-----55555-----55555-----|
```

These aren't the exact strumming patterns. Play this twice by itself, and 4 more times bass and drums come in.

Verse

```
e-----|
B-----|
G-----|
D-----|
A--5555555555-----|
E--3333333333-----|
```

Just play this chord very fast palm-muted. Alternate picking makes it a lot easier. to the song for timing and strumming. After the chorrd play the intro riff twice.

Chorus

```
e-----|
B-----|
G-----|
D-----12-11----- x3 -----|
A-----10--9-12-9-----|
E-----10-7-----|
```

Chorus continued

```
e-----|
B-----|
G-----|
D-----12-11-----9--5-----|
A-----10--9-12-9-7-7-3-5-2-----|
E-----10-7--5--3-0-----|
```

It may look like a lot of notes, but I'm pretty sure it's right. Just play the end of chorus very fast and listen to the song for rhythms.

After the chorus play the verse again and then another chorus. Play the intro twice and you're done.
