Too bored to die- Bad Cash Quartet
Tabbed by: Per Lopez

Vers:

B **E**
I take my hands from all the things now.
B **E**
I just let them move beside me.
B **E**
I don't let them bother me no more.

Another day comes scarily close to
nearly be the day that
Nearly be the day that leads the way...

Bridge:

F#
Something got to start me up

Chorus:

B **E**
So come on come on please shake me
B **E**
Something's got to make me move.
B **E**
Come on come on please shake me
B **E**
Something's got to make me move.
