The sky is burnin
 I beileve my souls on fire
 You are i`m learning the key to my desire

Run across the country fields in all ter rain
 They had guns and dogs and every thing
 Swam a river try`n to lose my trail
 But they caught me under the bridge oh yeah

The sky is burnin
 I believe my souls on fire
 You are i`m learning the key to my desire

The sky is burnin
 I believe my souls on fire
 You are i`m learning the key to my desire

The judge said this man`s a danger to humanity
 We`re gonna lock him up and throw away the key
 Now baby your love has sent me to jail
 But i`d rather die than see you with another man

Working on the railroad every day
 But they can`t keep me here
 And i`m gonna stay
 I got to get outta this place
 I`ll see you baby
