It s not a part of my plan

Dm

My hopes that once were so high

Were crushed and broken in a blink of a eye

By the roadside

Dm

And I just can t let it go

F

This fever won t let me hang on to my pride

It will never subside

A#

So if you see her again

Dm

C

Tell her that I can t wait

A#

Undercover in the shelter

F

E4/C

Of a strange twist of fate

A#

And I know what I m doing

Dm

It s got my head in a spin
